Dear Sir, Madam,

I have read your classified advertisement published through the newspaper that your company is looking for a Call Center Agent as part of your 2012 expansion. Thus with this, I am submitting my Curriculum Vitae attached with the necessary requirements to seek from you an opportunity. I shall be pleased to consider me as a qualified applicant.

I am 21 years of age, single and a graduate of the University of Saint Louis, Tuguegarao City, Cagayan Valley with the degree of Bachelor of Arts majored in Political Science. During my college years, I was an active officer to our organization Political Science Society wherein I was given the opportunity to lead my colleagues for a couple of years being the coordinator. I did also participate in other intra and extracurricular activities. Furthermore, I am adaptable to all kinds of works and situations. Due to my experience abroad due to an Erasmus Exchange in 2008-2009 in Belgium, I am able to adapt to multicultural environments and this opportunity gave me a proficient level of English and French.

After my graduation on March 2010, I was luckily employed at the Bombo Radyo Philippines (DZGR Bombo Radyo Tuguegarao City branch) for the position of Field Reporter.

Thank you for considering my application. I would be proud to be part of your company. I hope to get a chance to discuss my qualification and goals with you. I can be reached at +34687954114 at all times.

Yours faithfully,

Comentario [S7]: Para realizar este párrafo, elige lo más llamativo de tu CV y redáctalo en oraciones. Si tienes experiencias internacionales, indícalas, y justifica diciendo cómo adquiriste cada una de las competencias que dices que tienes.

Comentario [S8]: Indica cuándo pueden llamarte, tu disponibilidad.

Comentario [S9]: Esta es la fórmula para cerrar la carta cuando no conoces a quién va dirigida. Si conoces el destinatario, la fórmula para cerrarla es "Yours sincerely".
